## Becoming a Voice for Life Volunteer

Christian Voices for Life needs volunteers to partner with us in educating our community on life issues: **Voice for Life volunteers.** There is no need to dedicate any specific time commitment, or go to a specific place. We simply want you to be equipped to “Speak Life” in every-day conversations with friends, family members, neighbors, or co-workers – any one you come in contact with.

“Voice for Life” volunteers are volunteers who have educated themselves on life topics, and can confidently explain and present the truth about abortion, contraception and other life topics to other members of the community.

How does one become a CVL “Voice for Life” volunteer?

1. Contact Marie McCoy at [Marie@ChristianVoicesforlife.org](mailto:Marie@ChristianVoicesforlife.org) or 281-610-3986. Let her know your intentions and she will be glad to answer any questions you may have. Or you are welcome to simply take the training on your own and share it with others. Marie is available to answer questions.
2. Educate yourself by accessing the following resources. All of these resources are available from the [Information Resources](#) page on our website, or on the DVD if you are receiving the training that way.\* **Call or email Marie with any questions you may have along the way.** If you feel that you are already sufficiently familiar with any these topics, just avail yourself of these resources as needed. But we do recommend that volunteers to be well informed on all these topics. Weekly emails are only one page, information sheets are generally 2 or 3 pages.

\* If you have received a DVD containing these resources, all videos produced by Christian Voices for Life, and documents to read are found on the DVD. Links to all videos are provided with the titles.
